

BOATING AND FISHING

Travis McNatt Lake is a 165-acre, spring-fed lake. Open year-round, it offers bass, bream, catfish, and crappie. The steep launch ramp accommodates boats up to 20 feet long. Gas motors are not allowed; however, personal electric trolling motors are allowed. Gravel launch areas provide access to Big Hill Pond within the park. The Tuscumbia River and Hatchie Scenic River are located just minutes from the park. Bait, tackle, snacks, and fishing licenses are available off-site.

PADDLING

During the summer season, kayaks, canoes, paddleboards, and jon boats are available for rent for day use on Travis McNatt Lake. Personal kayaks, canoes, and paddleboards are also allowed.

CAMPING

The primitive campground has 28 campsites with tables and grills and a modern bathhouse with hot showers. The campground does not have hookups, and there is no dump station. Three primitive camping areas are available for scouts and other groups.

GET INVOLVED

Volunteers and Friends assist in protecting, preserving, and promoting the cultural and natural resources of their favorite state park. They do this by giving of their time and talents to ensure the park's integrity for future generations to enjoy. It's easy to show your support—join a Friends group or participate in one of the many volunteer opportunities offered to individuals, families, and groups.
