FALL CREEK FALL STATE PARK is a paradise of more than 29,800 acres, sprawled across the western top of the rugged Cumberland Plateau, one of the most scenic and spectacular outdoor recreation areas in America. Laced with cascades, gorges, waterfalls, streams and lush stands of virgin hardwood timber, the park attracts those who enjoy nature at her finest. The striking Fall Creek Falls plunges 256 feet into a shaded pool. It is one of the highest waterfalls in the eastern United States; other notable waterfalls in the park are Piney and Cane Creek Falls and Cane Creek Cascades. With its many amenities and panoramic natural setting, it is little wonder that Fall Creek Falls is a popular vacation destination.

On-site catering, meeting facilities and outdoor recreation make it easy for groups to meet, eat, and play.
