

Swimming

The lodge offers an indoor pool year-round and an outdoor pool from Memorial Day to Labor Day exclusively for our cabin, and inn guests. There are two swim beaches on the south shore of Pickwick Lake open to the general public.

Golf Course

Strategically located sand traps, tight fairways and water hazards make this 6,400 yard par 72 course one of the highest rated public courses in the state. Golf packages are available. Tee times can be made online or by calling 731-689-3149.

Hiking

Enjoy the three mile trail that meanders through a beautiful hardwood forest along the river. More relaxing than strenuous, the trail offers the hiker a glimpse of wildlife and natural wonders of this resort park. For those who enjoy a short, easy walk, we have a one mile, paved walking trail that starts in front of the park lodge.

Fishing

The area is known for smallmouth bass and catfish. Biting year round are crappie, bluegill, white bass, stripes and sauger. Boat rentals, fishing piers, bank fishing and local guides are available. Pickwick Lake is located in three states; check license requirements.
