

Notice
 Unscheduled water releases from Great Falls Dam or the TVA Powerhouse can occur at any time, with or without warning. Hikers entering the gorge area should use extreme caution, note current water levels, and be prepared to exit the area quickly if sirens sound or waters begin to rise.

This brochure is funded in part through the Federal Highway Administration's Recreational Trails Program, administered by the Tennessee Department of Environment and Conservation, Recreation Educational Services Division, Greenways and Trails Program.
